Service Reflection

1. Describe your service opportunity – what you did and how this helped the parish/community.

Worked organizing 3 pro-life breakfasts with the Right to life ministry team – reviewed and materials to be given out, Fundraised for funds to sponsor the event and found volunteers to staff the event.

2. Looking back at the service, what are some of your thoughts and feelings about this service?

I had no idea how many teens are faced with having to choose life. I also found the stages of development amazing. I felt really bad for fathers that never had the chance to be a dad.

3. How do you understand the role of service in the life of a follower of Jesus?

Catholic is a verb. I can't just say I'm catholic, I've got to live it, I've got to put my faith into action. I also need to learn more about my faith which will help form my conscience.

4. As a result of this experience, what type of service will you do in the future?

I would like to work with mothers that choose to keep their babies. Maybe by putting together baby showers or something to make it a little easier for them.
