STUDENT RETREAT CONTRACT and IMPORTANT INFO

Everyone who attends the St. Rose of Lima Confirmation Track II Retreat is expected to participate actively and behave appropriately so that all will have the chance to safely enjoy this special weekend of ministry! Nobody really likes rules or consequences, but to be fair it's best if we all know what is expected. The student's participation at the Track II Confirmation Retreat is one of the most important indicators of sincerity and preparedness for the Sacrament of Confirmation. If the student chooses not to demonstrate this sincerely through respectful participation during the retreat, additional time will be given to him/her in order to prepare for the Sacrament.

- **What to bring:**

- *Sleeping Bag*
- *Pillow*
- *2 changes of clothes*
- *Warm Clothes*
- *Toiletries*
- *Towel*
- *2 Pens*

- **What not to bring!** CELL PHONES, CD PLAYERS, IPODS or other ELECTRONIC DEVICES. This weekend our time should be spent on deepening our relationship with God. When these devices are present so is the temptation to text, email, chat etc. . Please keep this temptation away from this beautiful retreat experience. (Cameras are permitted only during free time.)
- **Respect for property** – Property of the Retreat Center and surrounding areas should not be damaged, marked or vandalized in any way. Personal property should not be damaged or borrowed without permission.
- **Concern for safety and respect for the law** – No non-prescription drugs or alcohol consumed or in any student's possession. No rough housing or foul language.
- **Cooperation and participation** – Everyone will get the most of this opportunity if we respect each other and fully participate. Cooperation will be important throughout the retreat including times when participants are expected to be together and when quiet time is needed for sleep. I also understand that I must arrive on time and stay until the conclusion of the retreat.

If one of these guidelines is not adhered to, appropriate action will be taken. One possible action will be that the student(s) involved will have his/her parents or guardian called and arrangements for immediate transportation home will be required. In the unfortunate event that a student is unable to complete their retreat for any reason, we are unable to extend a refund; the student will be required to locate, attend, and pay for a makeup retreat. In addition a meeting with parents and student may be arranged to determine other possible action: for example, destruction of property would require repayment of damages.
