Behavior and Discipline

Proper Behavior for Students:

Affirmation and Periodic awards can be given by the teacher

Improper Behavior:

Consequences:

Occasional offense:

Reminder by the teacher.

Repeated offense:

Sent to the office and the parents will be called.

Damage done to anything in the classroom must be paid for by the students and parents.

Students with persistent discipline problems may not yet be capable of receiving formal classroom religious education. Each child is a gift from God and has unique needs. Some children may require another year of maturity or more individualized attention than a classroom setting can provide.

The Director of Religious Education along with the parents can decide what arrangements can be made for the good of the child.

Dear Parents and Guardians,

You are the first and most important educators of your children. We wish to join you in providing additional Religious Education to assist you in your task. We are here to support each other.

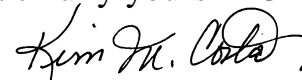

No matter how good our program may be, we need your example and help in sowing the seed of religious faith in the hearts of your children. Family Mass attendance and prayer are an essential means of fostering a deep religious Spirit.

The information and points in this handbook serve as a guide for both you and your child/ren to assure the smooth running of the religious program.

Please read this handbook carefully and help your child/ren to understand their responsibility in fulfilling their part in the process of their religious growth.

May God bless you and your families and reward your efforts with an abundance of His love and peace.

Faithfully yours in Christ,

Kim Costa

Director of Religious Education

Philosophy of the St. Rose of Lima Religious Education Program

Religious Education is more than the handing on of religious truths. Its goal is growth in faith which implies both formation and transformation, leading one to live out the Gospel as part of a believing community.

In keeping with this truth, the St. Rose of Lima Religious Education Program strives to impart to the students an understanding of the meaning of a life in Christ lived in the Parish community.

We endeavor to continue the mission of Jesus to proclaim and teach the Kingdom of God.

We aim to encourage all students to a deeper understanding of their faith and to participate actively in their parish community which is centered around the Eucharist, the abiding presence of Christ in the people, and in the other Sacraments.

Religious Education Program Goals

- To provide instructional opportunities for public school children of the parish, from 4 years old through 6th grade to grow in the awareness of God's love for them and to encourage their response to his love.
- To understand that God is a loving and caring Father.
- To develop an awareness of the presence of God in persons and things.
- To appreciate life as a unique gift of God.
- To deepen their sense of belonging to our Catholic Christian Community here at St. Rose of Lima
- To come to appreciate and understand the Mass, prayer and the Sacraments.

Religious Education Program: Objectives

- Teach doctrine fully within the experience of the Catholic Christian Community.
- Prepare individuals for effective Christian witness and service to others.
- Help foster the student's growth in personal holiness in his/her relationship with Christ.
- Participation in weekly Mass and reception of the Sacraments.
- Include opportunities for service as part of the educational experience.
- Reach each child at their level of religious knowledge and experience.

Attendance Policies

Illness:

All children are required to attend all scheduled classes and workshops. Because each week builds on the previous week's lesson, it is extremely important for your child to maintain a good attendance record.

Prolonged absences:

In the event of an occasional or prolonged absence, parents/guardians are responsible to see that their child makes up all missed work and assignments. Continued absenteeism (3 +) means that your child may need additional time to complete their sacramental journey.

Tardiness / Early Dismissal:

All students are expected to be in their classrooms by the start of their session and stay until the end of the class. Repeated tardiness or request for early dismissals will require a parent conference.
